Thank you to the entire membership of Puyallup Valley for supporting the activities of our chapter of JACL. We are a very small group of only 64 members, but we are growing. This spring we added eight new members and one transfer. Welcome to Charlene Grinolds, Anna Hasegawa, Ellen Hasegawa, Hana Konishi, Janice Kunitsugu, Ed Oyama, Sara Perrott, Linda Winthers, and Rich Hayashi from White River Valley.

2026 will be a very active year, too. In **February**, we will have our annual Day of Remembrance on the 21<sup>st</sup>. This year's tentative plans are to focus on the artists who tell the history of wartime incarceration. On **March** 27 and 28, Ireicho, the Book of Names, will come to our area. First, in Seattle at Blaine Memorial United Methodist Church, then at the Remembrance Gallery. Ireicho is a book with over 125,000 names and a new version will have over 126,000 who were detained nationwide, not just along the West Coast. **April** brings the Spring Fair, and we are always looking for volunteers. You do not need to be an authority - just welcome visitors and assist as they experience the Gallery. **May** will hopefully bring *League of Dreams*, the film about the history of the JACL, but more importantly, the history of Japanese Americans. This is the film that was postponed in October. **Summer** is a time of Obon starting in Seattle, then White River, and ending in Tacoma. The Fall Fair season is in **September**, and again volunteers add so much to the Gallery experience. Please let me know if you would like to assist.

Your Chapter Board members are available to talk with, ask questions, or just get to know. Our purpose is to serve Puyallup Valley members and advocate for the chapter. If you have any questions, suggestions, or concerns, please reach out.

- *Domo arigato for an exciting and successful 2025!*
